

Summer Junior Golf Clinics

Session #1: June 14 – 17, 2022

Session #2: July 12 – 15, 2022

Session #3: August 2 – 5, 2022

8:30 – 11:00 each day

Learning to play golf is more than just figuring out how to hit a golf ball. This clinic will provide juniors with extensive, professional golf instruction on the fundamentals in all areas of the game of golf which will include work with the driver, fairway woods, irons, and putter through drills, games, and instruction sessions. Since golf is a sport that requires certain athletic motions, the juniors will play games that will either introduce or hone the specific motions needed to make a proper golf swing. Additionally, there will be on-course activities where students will learn basic rules, course etiquette, and be able to apply lessons learned on the practice facilities.
