Swimmingly Registration:

'Swimmingly' is the program that we utilize to sign the swimmers up to the Jefferson Shelby Swim Council (JSSC) to compete against other teams. This is also where children can be signed up for different events during swim meets. If you were on the swim team last year, that means your information is already in Swimmingly. You should be receiving an email from swimmingly that should direct you to the website where you will pay the **\$16 fee this year**. If you have previously swam on the team and you did not receive, this email please let me know; it is a very simple fix. Below are some step by step instructions on how to sign up if you are a new member. Please click on the direct link under either 'Returning Parent' or 'New Parent' and follow these instructions. **Remember that you must be fully registered with Swimmingly in order to be on the team. The deadline to sign up is June 3rd and there will be no exceptions to this.**
